

## SIGN-UP FORM

### NOW IS THE TIME Anti-Bullying Campaign

Please complete and return the document below to the lowdown, to confirm what you would like to sign up to

We ..... (facility name) **would like to sign up to** (please circle your choice – you can pick more than one):

Join the lowdown's Now Is The Time Anti-Bullying Campaign	YES / NO
We are in agreement with a standardised and united approach to bullying in every school/college in the County and look forward to receiving the guideline, criteria and other items and feeding into the consultation process in readiness for receiving the actual documents to begin implementation and to enable us to apply for the Now Is The Time Anti-Bullying Awards from November 2016	
To join the above and to become a Steering Group member	YES / NO
We are already in agreement with and have signed up to the CAMPAIGN process above and would like our organisation to become part of the Now Is The Time Anti-Bullying Steering Group. We will allocate a representative to attend the steering group meetings (many of which will be virtual, via skype etc) and much of the work will be via email. We would like to contribute to the criteria, guidelines and Awards programme which schools/colleges will adopt across the county to help achieve the goal of the campaign.	
To join the campaign and to become a Leader School	YES / NO
We are already in agreement with and have signed up to the CAMPAIGN process above. We are ready to begin the process immediately and would like to sign up as a Leader School who will work through the campaign calendar, give regular feed back to the Steering Group, trial the approach for 10 weeks, feedback results for the conference and blaze a trail for the other schools and colleges in the county. By signing up as Leader School, you are also putting yourself in the enviable position of being ready to apply for the lowdown's Now Is The Time Anti-Bullying Award as soon as it is launched (November 2016).
